- **Video Tribute** - Produced from your favorite photos and set to your favorite songs, this longer version of our photo intro is produced to show at your rehearsal or reception. A real crowd pleaser, it also offers a historical look at your families and friends.
- **Rehearsal and Dinner**- To fully complete your video, add coverage of your rehearsal, and all the toasts following dinner.
- **Honeymoon Photos Transfer**- Your honeymoon will be great! Let others enjoy those beautiful honeymoon photos!
- **Producer's Work Copy**- Time coded, this includes all original camera footage shot on your wedding day.
- **Custom Audio CD and/or Cassette**- Your music is an important part of your wedding, however, most brides never get to hear their prelude music. Enjoy the music you missed in a custom edited CD or cassette of your prelude and ceremony selections.
- **Video Prints**- Today's technology allows us to make photographs from our video footage. In video, there are 30 full frames 'photo' image produced every second from which to choose.
- **Additional Copies**- Available in a custom presentation album;
For the Bride & Groom - "Our Wedding"
For the parents - "Our Children's Wedding"
(also available without the presentation album)

Prior to booking, prices subject to change without notice. All videos are copyrighted by © Tony Maupin Productions and can not be reproduced without written permission
